

MOP is more than style it's a state of mind, bringing beauty and science together in simple, natural solutions for the hair.

MOP WORKSHOP

Ideal for stylists who want to build confidence, be inspired and challenge themselves with the dynamics of razor work. This workshop focuses on the latest and greatest Mop haircuts, how to custom - create styles for your clients, help widen your repertoire as a successful stylist and an insight on ways to grow and maintain the clientele that you want.

1 day - £175

IN - SALON SESSION

Mop's ethos is about feeling good about organic choices in a modern world, products that create simple solutions for beautiful hair, a balance between what is fundamentally modern, essentially simple, always real.

Within this two hour session a MOP educator will come to the salon for personal attention sharing in the MOP philosophy, in-depth product information while demonstrating two fashion/trend inspired haircuts with the razor or scissors, or 3/4 long hair styling techniques.

half day - £195

MOP SCENE

Mop is in the business of growing and inspiring stylists to reach their full potential. The day will have two groups covering the latest Mop haircuts, the varied use of Mop products and how they can be cocktailed, an insight into the world of retail and building your business behind the chair, including:

- How to work smarter not harder
- Being effective
- Looking like you're in business
- Keep the clientele coming back

This inspirational day is to encourage salons to attend as a group, to create and support team building within the salon.

1 day - £35
